

Specifications

Rapid performance tuning of Embedded Neural Networks

Myriad 2 MA2450 VPU in compact USB stick

Native fp16 & 8bit precision

512MB LPDDR3 in package

Up to 150GOPS performance below 1W

System requirements:

- Linux 64-bit
- 50MB of free disk space
- USB3.0 for highest transfer speed

A small Fathom logo sticker placed on a laptop keyboard.
